

STERLING
What Does This Stamp Mean On Silver?

It means that the maker must put 92.5-100 per cent silver into the knife, watch case or cup before the government of the United States permits the stamp to go on.

In Guilfoyle clothes the same high standard prevails from the selection of the finest imported wools, the master craftsmanship of design, the careful, patient hand-stitching to the final sewing of the label.

The Guilfoyle label means the same to the well-groomed men in this city as does the Sterling mark on silver to over 100,000,000 people in the United States.

Corns 'Tween Toes?
Use Easy "Gets-It"

Any Corn or Callus Comes Off Peacefully, Gloriously. Never Fails.

It is easy for "Gets-It" to reach "hard-to-get-at" corns, and better yet, it is easy to remove them, because "Gets-It" makes them come right off.

Any Corn Peels Off With "Gets-It."

Just like a banana peel. You can try to dig or drag out your corns with a knife, or slice them with a "bloody" razor, or use bandages and tape and wrap up your toe into a package, but that's the "treat-em-rough" painful, foolish way. Use 2 or 3 drops of "Gets-It"—that's the peaceful, sure, commonsense way that never fails. You reach the corn easily with the little glass rod in the cork of every "Gets-It" bottle. It does not hurt the true flesh. Try it, trot and smile! It's a blessing; never fails.

"Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Sold in Memphis and recommended as the world's best corn remedy by A. Benkert & Co., J. S. Robinson Drug Co., Washburn-Lyle Drug Co., Moseley, Robinson Drug Co., Orange Mound Drug Co.

PACIFIC COAST GIRL SWIMMERS TO TRY SPEED AGAINST STARS IN EAST

MABEL GREEN.

While several of the star girl swimmers from the Pacific coast beaches have invaded New York and other Eastern swimming centers this season, there are a host of others out on the Western coast, critics say, who have not had a chance to match their skill with the Eastern girls.

Mabel Green is just one of many such girls. She has made an enviable record on the coast. These Western girls are more eager than ever to meet the Atlantic stars because of reports of world records being smashed almost daily by the Eastern sisters. Miss Ruth Smith, of the New York women's swimming association, is the latest girl star to break a record. She recently clipped two seconds from the record for the 100-yard breast-stroke swim. She covered the distance in 1:32.2-5 at Rye Beach. The former record was held by Miss Mina Wylie, of Australia. That record was hung up only a few weeks ago at Chicago.

Miss Ethel Blodgett, Charlotte Boyle, Eleanor Smith, a sister of Ruth, Miss Ford and several other girls have been staging merry battles for general supremacy in all of the big swimming meets held in the East this summer season.

Eddie Cicotte
Confident He Will Come Back

CINCINNATI, O., Oct. 2.—Eddie Cicotte, the master pitcher of the American league, who was driven out of the opening game of the world's series yesterday under a broadside of hits, today expressed confidence in his ability to come back at the Reds whenever called on by Manager "Kid" Gleason. Cicotte, with nearly 30 victories to his credit this season, is carrying the hopes of the Chicago fans on his shoulders and they have every confidence that he will pitch the Sox to victory in two and possibly three of the remaining games. The master of the "shine" and "knuckle" ball declared today that he was completely unnerved when he hit Rath, the first man up in the game yesterday, and lost all control of the ball in the fourth inning.

"It is hard to explain," Cicotte said, "but I was in no condition to pitch the game that I had expected. I felt perfectly confident before the game started and appeared to have 'everything' when I was warming up, but when I hit Rath, it seemed to have a strange effect on me. I felt so badly about it that I trotted with him along the first base line to see if the ball had hurt him. When Rath assured me that he was all right I went back to the pitcher's mound, but I did not seem to be right."

Supporters of the White Sox believe that Manager Gleason will send Cicotte to oppose the Reds in the game scheduled in Chicago Friday or Saturday.

CHARLEY PICK, OF THE BOSTON BRAVES.
In only another of the vast army of ball players who think that all umpires are blind by instinct and insane by choice. During a recent game Charley claimed he was hit on the head by a pitched ball. Umpire Quigley, however, thought otherwise, although Charley was really in a position to know. It was his head. Mr. Quigley was indignant, however. The following day the denouement came when Charley was unable to appear because the side of his head looked like a filigreed door-knob.

The St. Louis Browns started out good against the New York Yankees last spring, but wound up ingloriously. On the whole season the Yanks won 12 of the 29 games played.

The White Sox and the Giants won't go to South America this fall, in spite of what Ted Sullivan says. They might have gone had the Giants won the National league pennant, but now they won't.
